2024 - 2025

WELCOME TO **GO TEKAPO**.com

Our family has been living & farming in the Mackenzie high country since 1928 and have owned and managed land since 1935. We farm a combined total of 50,000 acres of land split across two Merino sheep stations, Mount Hay & Balmoral Stations.

Our aim is to provide visitors to Lake Tekapo the option to experience the High-Country adventure of their choice.

WHERE WE ARE

Lake Tekapo is a stunning alpine oasis nestled in the heart of New Zealand's South Island. With its mesmerizing turquoise waters, framed by snow-capped mountains and vibrant lupin fields, Lake Tekapo is a photographer's dream and a nature lover's paradise.

Offering a range of outdoor activities including stargazing, farm tours and scenic hikes, it's an idyllic destination for travelers seeking tranquility and breathtaking landscapes.

STARGAZING

SILVER RIVER STARGAZING

Experience true darkness with Silver River Stargazing. All of our guided stargazing tours (English / Chinese) take place on 50,000 acres of private High Country farmland and include the use of high powered lasers, large telescopes and digital cameras.

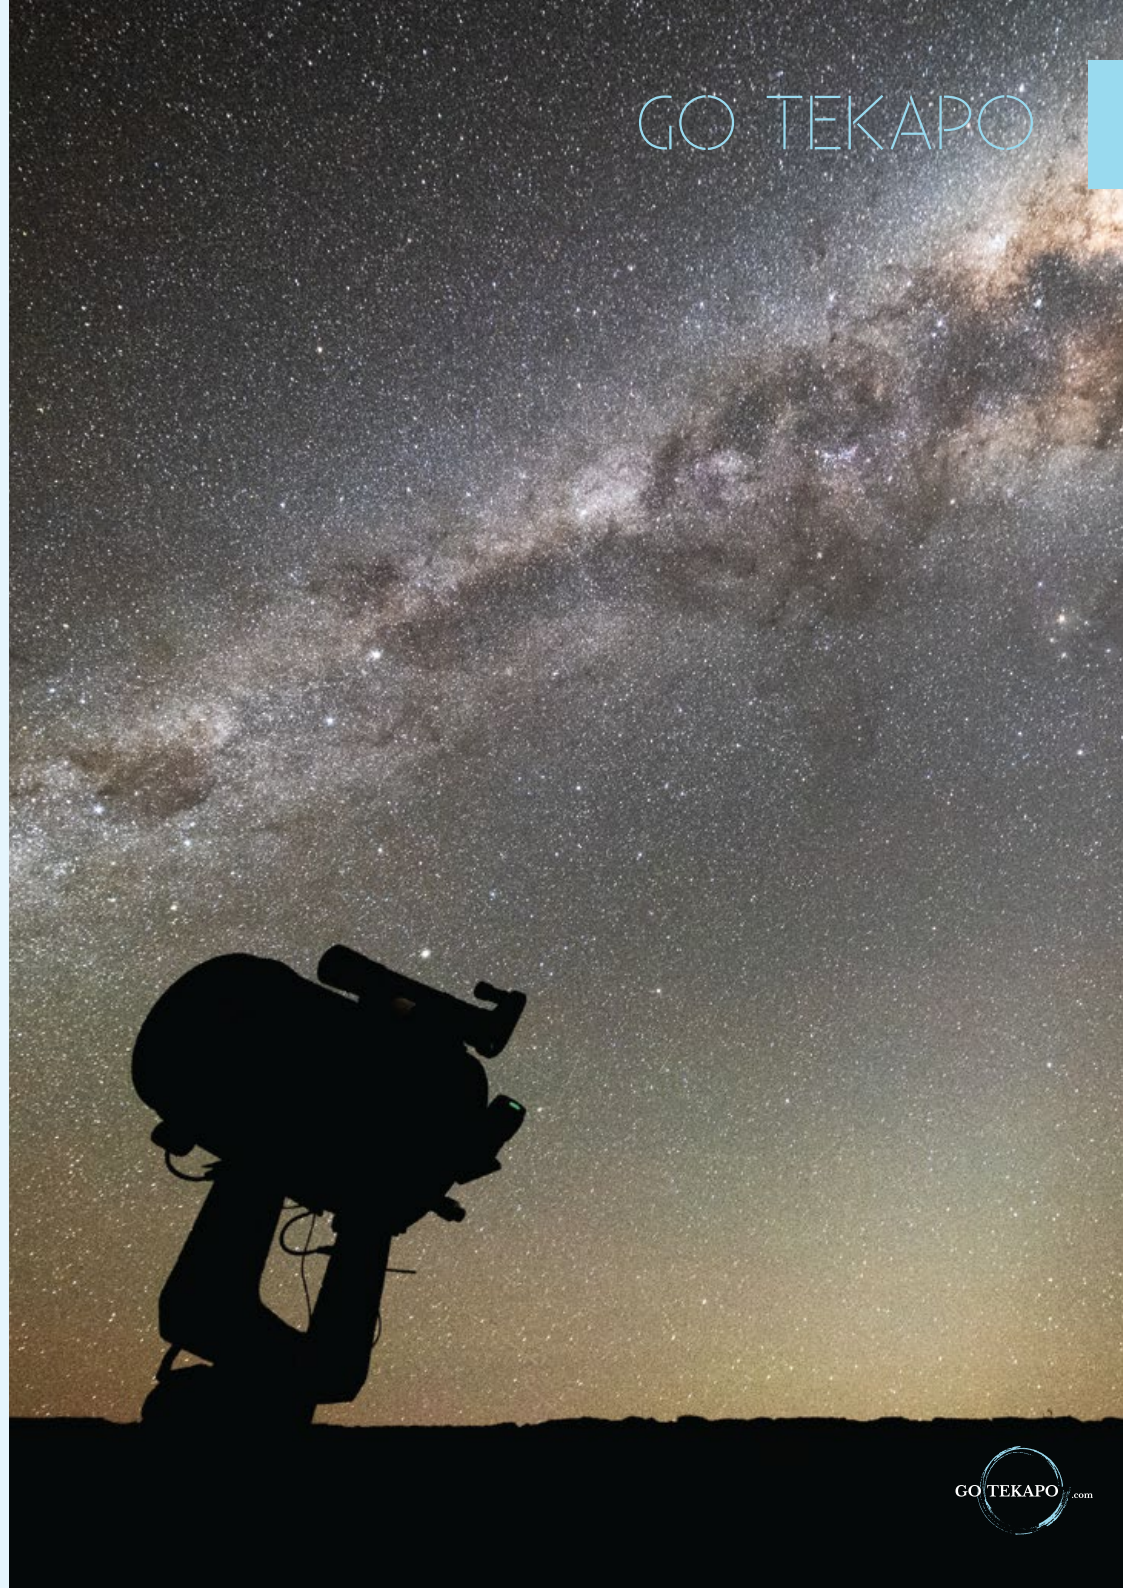

- Free digital photograph with every booking
- Low Guest to Guide Ratio (10:1)
- Close proximity to Tekapo Village - Zero Light Pollution

We offer three types of stargazing experiences:

- **Milky Way Magic | 60 minutes**
- **Alpine Stargazing Experience* | 75 minutes**
- **Ultimate Stargazing Experience | 120 minutes**

Tours depart from the Go Tekapo Office: 48a D'Archiac Drive, Lake Tekapo

Adult from \$20

Location

Go Tekapo Office
48a D'Archiac Drive

A group of sheep are gathered in a dirt pen in front of a wooden building with corrugated metal siding. A stylized, hand-drawn arch in a light blue color frames the text. The sheep are of various shades of brown and tan, with thick, curly wool. The building behind them has several vertical wooden posts and horizontal metal railings.
